Sir,

Respected Sir,

1. I have been cultivating the forest land mentioned above since prior to merger of Sangli State in Bombay State. It was then under the Revenue Department. Now the Forest Department has taken possession of this area.

2. Formerly this land was uncultivable. It was pure forest. I have put much labour and money in this land. So it has become cultivable land. Any Kharif crop can be raised in this land.

3. The authorities of Forest Department are saying that Ik have made encroachment on this land. I have not made any encroachment. I have been in possession of this land from the time when it was under the Sangli State administration. The correspondence was pending when Sangli State was merged in the Republic of India. The record of the pending matter was displaced somewhere. So now there is no proof to show that it was given to me by the merged Sangli State.

4. I have carried out summer operations and put manure at a great cost. I am very poor man. I belong to the backward class, Wadder community. This is the only means of livelihood. I have improved the land very much. The land is about two to three acres in area.

1

5. For the year 1957-58 also I had produced groundnut in this land. The Forest Authorities have asked me to pay penalty under section 26 (1) of Indian Forest Act. I have paid the penalties on 11.6.56 Rs 10/-, on 29-4-58 Rs 25/-, on 3.4.1959 Rs 25/-, 8.8.12.59 Rs 30/- and on 6.12.1959 Rs 30/-. A similar case had happened in the village Terdal in Ramkhandi Taluka. The occupier in that case also belonged to backward class. The occupier have been asking the land for their use. In that case your goodself has consented to give the land on condition of giving the penalty to the Government under Section 26(1) of I.F. Act. In the present case sown groundnut now in F.S.No. 645 of Terdal. In case I have been evicted I will be put to great loss and starvation also.

, therefore, request your goodself, to continue the land in my possession. I am prepared to give any undertaking in the matter.

Terdal.

The applicant Sri B.L. Kannawaddar has been cultivating an area of two acres of land unauthorisedly from the year 1956-57 for which offence cases were being prepared regularly. The applicant has requested not to evict him from the area and to continue the land in his possession.

The Conservator of Forests, Belgaum Circle, reports that the applicant is a landless person and that he has spent about Rs.400/- to Rs.500/- for improvement of the land.
